Dear Dr. Hashim:

On behalf of the American Society for Neurochemistry, Inc., I would like to thank you for your donation of \$500 to support the activities of the Inter-American Cooperation Committee at our Annual Meeting in Albuquerque in March, 1994. This donation will enable Dr. Lajtha and his committee to enhance significantly our program.

Again, thank you very much for your kind donation. We sincerely appreciate your contribution and will acknowledge such in our program *Transactions*, which will be sent to you when it becomes available in the spring.

Sincerely,
